Part 1 (5 items)

A: This is the picture of my friend's family. They are all out in the garden, which is behind their house.

B: And who is that boy with a ball?

A: That's Tom. He is my friend. He's ten. He has a sister. Her name is Alice. She is ten too. And she likes to play with her dog.

B: And look at that man in the armchair with a book in his hands. Is he your friend's brother?

A: Oh no. That is Tom's father. His brother is the man in a dark T-shirt. His name is Peter. He speaks with a postman. He is Tom's elder brother. He is nineteen.

B: And who are those two girls looking at the flowers?

A: Oh, one of them is Tom's mother. She is on the left. And the other is Tom's elder sister, Ann. And she's on the right.

Hello, my name is Helen Brown. Only yesterday I was nine and today I'm ten because today is my birthday. And I'm glad that today is Sunday and not Monday or Friday because on Sundays I don't go to school. But my school friends are coming to my birthday party. It's 1 o'clock now and my birthday party begins at 2 o'clock. But my friend Kate will come at 3. She and her parents went to see Kate's grandmother. I already got my present from my parents. It wasn't a dress like last year or a CD player like the one they gave my brother for his birthday. It's a bicycle. I like to ride my bicycle. I also like to read. I know that my school friends will give me books with some of my favourite stories. I like books better than videos or music.

Part 3 (5 items)

1. I like the house my friend Phillip lives in. It's of dark colour and quite big. It has four windows on the front wall.
2. A: Who is your uncle?
B: He is not very tall and he is not slim. He has a hat on.
3. A: Did you have any breakfast this morning?
B: Yes, but just an egg and a glass of milk.
4. A: Look. What's the weather like today?
B: Oh, it's warm and sunny.
5. A: Which bus goes to the Zoo?
B: OK, number 11 goes to the shop, number 9 to the school, then it must be number 15 or 17... Oh yes, 17.
